Making Your Donation Simple and Easy

Sign up now for our credit card pledge program

Now you can conveniently and easily honor your pledge each and every year automatically. By signing up for this option, the Paraclete Foundation will automatically charge your credit card for the amount of your annual pledge each year on the effective date selected by you. Not only will this save the Foundation mailing costs, it will save you the aggravation of dealing with reminders and will eliminate the possibility of overlooking your pledge on a timely basis.

You may also choose to split your pledge payment in half and have your credit card charged two (2) times per fiscal year thus being able to breakup the pledge into two smaller amounts. The effective date, for all one-time per year charges, will be on or about July 1 and January 1.

If you are interested in participating in this time and cost saving program, please complete the form below and return it to the address at the top of the page. **The Paraclete Foundation will securely store your credit card number.**
