To Whom it May Conern:

It is without hesitation that I urge you to join with the community members of Pine Grove, Pennsylvania in their efforts to build a public library. A vibrant library can serve as a community meeting place for all generations and helps to ensure the academic success we all value in our younger generations while maintaining a superior quality of life for our seniors.

Building a library where one has never existed is an ambitious task and requires dedication and support from an extended community. I believe there is a bountiful return in enjoyment and education for every dollar donated to such a project.

You can be sure that as your United States Senator, I will do everything I can to help in this endeavor and look forward to hearing about a strong local effort and support for a public library in Pine Grove.

Best wishes and thank you for supporting this important project.

Sincerely,

Rick Santorum
United States Senate
