

**Pine Grove Area School District Board of Education Resolution to Mr. Jack Kauffman of the United States Department of Agriculture**

***Resolution Adopted: June 16, 2005***

The Board of Education of the Pine Grove Area School District unanimously supports the concept of a library and technology center housed in the community of Pine Grove Pennsylvania and serving the 103 square miles of the greater Pine Grove Area School District.

The Board of Education of the Pine Grove Area School District unanimously supports the efforts of the Paraclete Foundation of Pine Grove Pennsylvania who is raising awareness and funds to support the construction of a library in Pine Grove.

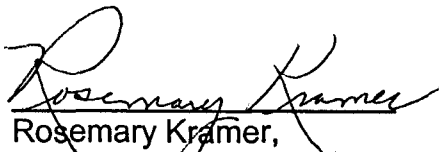

The Board of Education of the Pine Grove Area School District unanimously supports the vision of a library and technology center located in Pine Grove to assist the school district in educating a citizenry for life-long learning.

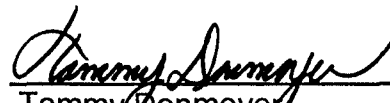

The Board of Education of the Pine Grove Area School District unanimously encourages your organization to extend assistance to the Paraclete Foundation in the form of a low cost loan in order to move this extremely worthwhile and much needed project forward.

The Board of Education of the Pine Grove Area School District believes that the construction of a library and technology center in Pine Grove is timely in that many housing developments are planned in the next few years which will increase population since the greater Pine Grove area is within close proximity of the state capitol of Harrisburg and the growing Reading metropolitan area.

The Board of Education of the Pine Grove Area School District believes that with assistance from the USDA the Paraclete Foundation will be able to begin construction and see this project to fruition in a timely fashion.

Sincerely,

  
Rosemary Kramer,  
Board President

  
Tammy Donmoyer,  
Board Secretary
