Gentlemen:

Pine Grove Borough Council offers our support to your upcoming Library project for the Pine Grove area. We feel having a library in our community will benefit both the children and adults of the surrounding area. The Borough has shown its interest in the project by the agreeing to the lease of the land for the library with the expected transfer of title and the willingness to work with the USDA toward making your project a success.

We look forward to working with Paraclete Foundation on this project and recognize the importance of providing a place for our students and adults to gather and learn.

Very truly yours,

PINE GROVE BOROUGH
